Class 4

Wavertree C. of E.
School

Mr Holland
Ms Dixon
Ms Powell

English

*The Lion and the Unicorn by Shirley Hughes

They will explore a range of grammatical concepts and will write a range of diary entries, letters, character comparisons, setting descriptions and finish by writing their own evacuation narrative.

*Odd and the Frost Giant by Neil Gaiman & Chris Riddell

They will explore a range of grammatical concepts and take part in drama activities. They will write an explanation as well as a narrative.

*The Matchbox Diary by Paul Fleischman

The children will discover a set of matchboxes containing some of the mementoes from the story. After writing predictions about what the objects might relate to, the children will listen to the story in stages.

P.E. - Real PE

Children develop their skills of sending and receiving a ball, and counter balancing with a partner.

Music - Violin

The children will continue to learn how to play the violin during this half term. Combining how to find the rhythm, develop an increased range of notes, and reinforce bowing technique.

Science - Scientists and Inventors

This unit focuses on the achievements made by a variety of scientists through history. We will look at stereotypes of scientists and how people of all races and genders have been responsible for scientific discoveries that affect our lives, and have improved life for us all.

Curriculum Web Year Four Half Term 4

History: Ancient Greeks

In this unit we will discover how the Ancient Greek civilization developed. How they were master architects, and the fact that some of these buildings still stand today! We will see how they loved theatre and literature, and how they gave birth to philosophy.

Geography- Volcanoes

We will study how volcanoes are formed and what happens when one erupts. Children will study Mount Etna, and ask why people would chose to live near a volcano

Religious Education - Easter: Betrayal & Trust

The aim of this unit is to give children the opportunity to reflect upon the importance of power and the effect of betrayal, trust and forgiveness.

PSHE -Don't hold onto what's Wrong

This unit teaches children about understanding feelings and how to forgive others.

Computing - Online Safety

This unit reinforces children keeping themselves safe online. Not giving out personal details, to being sure who they are in touch with online, checking with parents if something they post or attempt to purchase is safe or appropriate.

Maths- Fractions and Decimals

Children will learn an=bout fractions and decimals and problem solve using these techniques.

French-Real Life

We will be learning words and phrases about pets and home life.
