Wavertree CE School

Miss Vaughan
Mr Durie

Half Term Two

English - Evolution & Inheritance

The Promise (2 wks) Sequel and report

Can We Save the Tiger (3 wks) Letter, explanation, persuasive poster, persuasive speech, balanced argument

The Hidden Forest (3 wks) Non-chronological report in the form of a letter to a character and balanced discursive piece

Geography – Raging Rivers

The children will find out more about why rivers are so important to the towns and villages that have developed on their banks. By looking at the features of rivers, and the natural and human ways that rivers change over time, children will explore the life stories of rivers. Children will learn the names and locations of the major rivers of the UK and the world.

Computing - Spreadsheets

Children will continue with spreadsheets learning. They will design their own spreadsheet, with ideas and direction provided for particular purposes.

French

The children will continue to receive specialist teaching.

Science – Animals, including humans

What would a journey through your body look like?

*identify and name the main parts of the human circulatory system, and describe the functions of the heart, blood vessels and blood

*recognise the impact of diet, exercise, drugs and lifestyle on the way their bodies function

*describe the ways in which nutrients and water are transported within animals, including humans

Curriculum Web **Year Six Half Term 2**

PE – Unit 2 Creative Skills & Swimming

Children will work on a variety of skills that enable them to : effectively disguise what they are about to do next; use variety and creativity to engage an audience; respond imaginatively to different situations; and adapt & adjust their skills, movements or tactics so they are different from or in contrast to others.

Religious Education – Ideas about God

Further the children's understanding of the nature of God, His characteristics and His relationship with people.

Maths

Week 1 Addition, Subtraction, Multiplication & Division

Week 2 Number: Fractions

Week 3 Number: Fractions

Week 4 Number: Fractions

Week 5 Number: Fractions

Week 6 Geometry: Position & Direction

Week 7 Consolidation

PSHE – Don't forget to let love in

Self-worth. Learn how to love & value yourself well. You're important, you matter, you're one in a million & above all you're loved. These are messages that we all need to hear, believe & remember – because sometimes we forget. The healthier our internal dialogue, the greater our sense of worth which is the cornerstone of character & resilience.

Music – Classroom Jazz

Listen to and appraise two tunes (Bacharach Anorak & Meet the Blues). Learn about the interrelated dimensions of music through playing instruments and improvising.

Design Technology - Felt Phone Cases

Design products with user in mind thinking about aesthetics & functionality. Annotate designs to communicate ideas. Make a paper template & sew variety of stitches.
