Class 6

Wavertree CE School

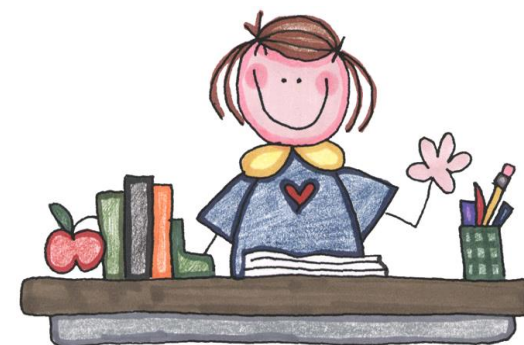

Miss Vaughan

Mr Durie

Miss Jackson

Mrs Makepeace

Half Term Five

English

Utopia vs. Dystopia

The Boy in the Tower by Polly HoYen - Journalistic Writing, Formal Letters, Longer narrative in present & past tense (3 wks)

Good vs Bad

Grimm Tales for Young and Old as told by Phillip Pullman (3 wks)

Romeo and Juliet by William Shakespeare (1 of 3 wks)

Geography – Amazing Americas

Children will find out about the continents of North and South America, and the countries that form them. They will also find out about the landscape, climate and locations of each area. Children will also develop their map and atlas skills and practise reading and writing coordinates. They will learn about the ancient and new wonders of the world, specifically those of the Americas, and they will research a natural wonder of the Americas and create their own presentations to teach others what they learn.

Design Technology – Super Seasonal Cooking

The importance of buying seasonal food - where, when and how a variety of ingredients are grown, reared, caught and processed. Sampling spring seasonal food, and then designing their own balanced seasonal meal.

Science – Evolution & Inheritance

Children will learn about variation and adaptation. They will be able to explore how both Charles Darwin and Alfred Wallace separately developed their theories of evolution. They will examine the scientific evidence from plants and animals that has been gathered to support the theory of evolution.

Computing – Animated Stories

Children will develop their skills in writing their own algorithms as well as editing and debugging existing codes. New skills are introduced to structure code and animate characters and scenes, gradually building to create a short animated story.

Curriculum Web Year Six Half Term 5

French

The children will continue to receive specialist teaching.

Music – You’ve Got a Friend

A song of friendship taught through: listening & appraising, musical activities and performing the song using instruments & improvising.

Maths

Week 1 – Ratio

Week 2 – Statistics

Week 3 – Geometry : Properties of Shape

Week 4 – Geometry : Properties of Shape

Week 5 – Geometry : Properties of Shape

Week 6 – Number : Decimals

Week 7 – Number : Decimals

Heartsmart PSHE – Don’t rub it in, rub it out

Children will learn how to process negative emotions and choose forgiveness to restore relationships.

PE

Real PE (Physical) - Use combinations of skills confidently in sport specific contexts. Perform a range of skills fluently and accurately in practice situations.

Real Dance (Physical) – I can perform a range of skills fluently and accurately in practice and performance situations.

Religious Education – Ascension & Pentecost

Children will learn about The Road to Emmaus. They will know why Ascension & Pentecost are important and the impact of these events then and now. They will learn of the symbolism of the Holy Spirit.
