Geography

Children will find out about the major mountains of the world and the UK. They will find out the different ways in which mountains have been formed, and how different features of mountain ranges have been shaped over time.

Children will have the opportunity to consider what the weather is like in a mountainous environment and to evaluate the impact that tourism has on a mountainous region.

Music - Violins

Children will be continuing with violin lessons taught by a specialist music teacher.

Science - Forces

- *Understand that unsupported objects fall towards the Earth because of gravity
- *Identify effects of air resistance, water resistance & friction
- *Recognise that mechanisms allow a smaller force to have a greater effect.

Curriculum Web Class Five Half Term 2

P.E. - Swimming & Jasmine

Swimming: Children focus on swimming more fluently and improving their swimming strokes. In all swimming activities, children have to keep afloat and propel themselves through water.

Jasmine: Children will develop imaginative and creative sequences of movement, including tactical awareness.

Heartsmart.

Religious Education - Matthew & Luke

Children will compare the 2 gospel accounts of the birth of Jesus. This will give the children a Biblical perspective of the Nativity Story.

French

Children will continue to be taught French by a specialist teacher each week.

Computing - Internet Research & Webpage Design

Children will safely create & edit a webpage. They will consider e-safety issues.
