Curriculum Web Year Five Half Term 5

History
Ancient Baghdad

Children will learn all about life in Baghdad during the early Islamic civilisation. They will explore how the location and geographical features of Baghdad helped it to thrive. The children will compare life in Baghdad with life in London and Liverpool circa AD 900.

They will write letters in role as a citizen of Baghdad to describe what it was like to live there.

Music - Violins

The children will continue to learn violin from specialist music teacher.

Science -
Animals and Humans

Learn that humans reproduce as part of their life cycle & that in every life cycle there are distinct processes & stages. Children will study how humans change as they grow, the stages of life and reproduction.

Computing - Radio Station

Children will use software and digital devices for recording sound. It will encourage a creative approach that includes interviewing, making adverts and using jingles. They will also write scripts and design additional advertising for their Radio Station.

Religious Education -
Women in the Bible

Children will widen understanding of the role and significance of women in the Bible.

P.E. - Jasmine: Children will use the Health and Fitness strand of Jasmine to describe the basic fitness components and to monitor their own fitness levels.

French

The children will continue to learn French with a specialist French teacher.
