Mrs Makepeace

Half Term Two

English - Evolution & Inheritance

The Promise (2 wks) Sequel and report

Can We Save the Tiger (3 wks) Letter, explanation, persuasive poster, persuasive speech, balanced argument

The Hidden Forest (3 wks) Non-chronological report in the form of a letter to a character and balanced discursive piece

Geography – Raging Rivers

The children will find out more about why rivers are so important to the towns and villages that have developed on their banks. By looking at the features of rivers, and the natural and human ways that rivers change over time, children will explore the life stories of rivers. Children will learn the names and locations of the major rivers of the UK and the world.

Computing - Spreadsheets

Children will continue with spreadsheets learning. They will design their own spreadsheet, with ideas and direction provided for particular purposes.

French – School Life

Children will work on time and school routines, including in complex sentences. They will justify opinions on school subjects in complex sentences using 'because'. They will recall the numbers 1-100 and learn about the cultural aspects around Christmas.

Science – Animals, including humans

Children will:

- *Learn about the three main parts of the circulatory system and the job of the heart;
- *Learn about what blood is comprised of and how it is transported around the body;
- *Carry out an investigation to explore how heart rate is affected by exercise;
- *Recognise the impact of diet, exercise, drugs and lifestyle on the way their bodies function.

Curriculum Web **Year Six Autumn Term 2**

PE – Unit 2 Social Skills & Swimming

Children will work on a variety of skills that enable them to : help organise roles and responsibilities and can guide a small group through a task. Co-operate well with others and give helpful feedback.

Design Technology - Felt Phone Cases

Design products with user in mind thinking about aesthetics & functionality. Annotate designs to communicate ideas. Make a paper template & sew variety of stitches.

Maths

Week 1 Block 3: Fractions A

Week 2 Block 3: Fractions A

Week 3 Block 4: Fractions B

Week 4 Block 4: Fractions B

Week 5 Block 5: Converting Units

Week 6 Problem Solving

Week 7 Consolidation

PSHE – Don't forget to let love in

Self-worth. Learn how to love & value yourself well. You're important, you matter, you're one in a million & above all you're loved. These are messages that we all need to hear, believe & remember – because sometimes we forget. The healthier our internal dialogue, the greater our sense of worth which is the cornerstone of character & resilience.

Music – Social Theme

Aside from considering how music relates to history, stories, our past and our future, this theme is relevant to learning topics such as cultural identity, changing ideas and inventions over time, creativity, film, TV and communication.

Religious Education – Ideas about God

Further the children's understanding of the nature of God, His characteristics and His relationship with people.
