Concerns:

If you are worried about your child or their schooling, please make an appointment to see myself, Mrs Brooksbank, or the School nurse.

Class 4

Wavertree C. of E.  
School

Mr. Holland  
Ms Powell

### English

The children will study:

\*Tar Beach by Faith Ringgold, in which the children explore the theme of 'freedom'.

\*The Iron Man by Ted Hughes in which the children will explore the devices of mystery and suspense.

### Science - States of Matter

This unit teaches about the differences between solids, liquids and gases, classifying objects and identifying their properties. The children will work scientifically and collaboratively to investigate the weight of a gas. Furthermore, they will have chance to find the ideal temperature to melt chocolate. They will explore in-depth how water changes state, exploring melting, freezing, condensing as well as a particular focus on evaporation.

### Computing - Scratch

In this unit the children write quizzes by combining questions. While specific skills in Scratch are taught, the unit aims to teach children the wider programming skills of solving problems, testing, debugging, improving and evaluating.

### PSHE - Heart Smart

Don't forget to let love in.

This unit offers children opportunities to see themselves as valued individuals within a community. Throughout the unit they will explore different feelings they may encounter and how to deal with them.

## Curriculum Web Year Four Half Term 1

### Humanities

#### History

In this unit, children head back in time to find out how the Roman Empire began and how it expanded to conquer the continent of Europe and beyond.

#### Geography

The class will be looking at the continent of Europe from the river Rhine to the Mediterranean Sea. We will look at the different climates and physical and human geography of the area.

### Art

The children will sketch and paint Autumn leaves, learning and using a wide variety of techniques.

### Maths

Number & Place Value  
Addition & Subtraction

### Religious Education - Jesus the Son of God

This unit will deepen the children's understanding of Jesus, who he was, his teaching and behaviour.

### P.E.

Children develop athletic and gymnastic skills, we will be looking at static balance on one leg, and travelling with fluency and control.

### Music - Violin

The children will begin to learn how to play the violin during this half term. We will learn how to hold the violin correctly, and how to play notes with the bow.
